**ORDER ADOPTING REPORT AND
RECOMMENDATION TO DISMISS
THE COMPLAINT**

21 This is a dispute over an allegedly unlawful judgment and lien on a property in Nicaragua.
22 The magistrate judge to whom the matter was initially assigned issued an order dismissing the
23 complaint with leave to amend. On February 23, 2018, plaintiff filed an amended complaint,
24 which again suffers from the defects identified in the prior order of dismissal. Accordingly, the
25 magistrate judge issued a Report and Recommendation that the matter be dismissed for lack of
26 federal subject matter jurisdiction and personal jurisdiction over the defendants, and because
27 venue is improper in this district. No objections to the Report and Recommendation have been
28 submitted, and the time for doing so has expired.

29 The recommendation to dismiss is adopted. Because the deficiencies in personal
30 jurisdiction and venue cannot be cured by amendment, this action is hereby dismissed without
31 leave to amend.

32 **IT IS SO ORDERED.**
